

ChemMate Chip Energizer-1 Quick Guide

Thank you for your purchase! Here's what you should know, or scan the QR code for more.

Wearing methods:

- **CE1-S Strap Mount:** Slide the straps into the diagonal cutout on the strap slots.
- **CE1 Keychain:** Use provided carabiner clip or 1" strap to attach to something.
- **CE1 Edge Clip:** Slide edge clip over a thin fabric edge such as a pocket, belt, or molle loop.
- **CE1 Surface Mount:** Install by bolting through a thin material such as a jacket. Remove backer and keychain strap. Use backer as a template to make holes in material. From material back side, use backer as a washer and insert bolts through backer and material. Screw bolts into main CE1 body.
- **CE1 Pendant:** Remove backer and keychain strap. Thread lanyard through keychain slot:

Operation:

- Install a chip by pressing it into the socket. Remove by prying up at the pry gap.
- Toggle power by sliding the power switch up or down. Press cycle to cycle modes.
- Battery type: Rechargeable Lithium Ion / Micro-USB (sorry, no USB-C module available)
- If the LED does not come on when you first get it, it may have gotten turned on in shipping and needs to be recharged.
- **Caution: Keep out of water and hot enclosed spaces (e.g., a car in the sun)**

I'm always working on new sci-fi gear! If you like this kind of stuff, check out starsidearmory.com and [@starside_armory](https://www.instagram.com/starside_armory) on Instagram for updates. Thanks again for your support, I couldn't do this without you!

See you starside,
